THE EVENT

Women and Wellness grew out of one family's loss of a son and brother by suicide and their resulting awareness of how common, yet hidden, mental illnesses continue to be. Again this year, women from across Canada will attend Women and Wellness events raising thousands of dollars in support of the programs and services delivered by their provincial/local CMHA divisions.

This will mark the 17th year this event has taken place in PEI to a packed room. Ticket holders will enjoy an evening of entertainment with local presenters and musical guests, accompanied by an array of delicous hors d'oeuvres and desserts. The night features emotional and raw testimonials that spotlight first-hand accounts from presenters who have lived experiences with mental health and/or illness. Presenters tell their stories, take us on their mental health journey and shrare how they arrived at a place of wellness and improved metnal well-being.

Please visit www.womenandwellnesspei.com for tickets, and more information on the evening as it becomes available.

HOW YOU CAN HELP
